

Trent Valley Archers

WMAS Summer League

Postal Tournament.

Long Warwick Round.

Saturday 23<sup>rd</sup> August 2014.

Sighters 10.30am prompt.

This will be the last round in this year's WMAS Summer Tournament, Trent Valley Archers are in a fairly good position in the League and in order to maintain this I need to have as many Club members shooting as we can muster. Hopefully with your assistance we can produce a good turnout.

The Round will consist of 2 dozen arrows at 80 yards and 2 dozen arrows at 60 yards onto a 122cm face with 5 zone scoring. Ladies and juniors will shoot 2 dozen arrows at 60yds and 2 dozen arrows at 50yds.

It is also intended to shoot this round as a postal with Aardwolf Archers of Sheffield so I really need a good turnout for this.

If you wish to shoot this round please sign in on the target entry form otherwise you will not be able to take part. The target entry form is on the Club Notice Board.

Your help as a club is requested. Thank You.

George.
