

Trent Valley Archers

Head to Head Fun Shoot

Saturday 30th August 2014.

Starting 10.00am prompt.

This is a "Head to Head" competition which will be split into the following categories.

- Compound
- Longbow
- Recurve
- Junior Recurve

The targets will be set out at 50m for everyone apart from juniors who will have a 30m target and everyone will use the 10 zone scoring system.

The individual matches will be drawn out from a bag before each round with the winners going through to the next round, some losing archers may have to be resurrected from the previous round to make up the required number of archers for a particular round.

There is a signup sheet at the club which will be available on Wednesday and Friday and you will be able to use the new online event booking system on the club's website, it's important that you use one of the signup methods so that we know how many archers are taking part and therefore how many targets to setup, there will be one target setup for archers not taking part in the competition.

We will need helpers at 9:00am to help setup the field this would be greatly appreciated.

Thanks

Bob
